Dear friend of Langham,

"If you want to really transform the whole culture, you need to break into the roots."

These words from Augustin, the director of a Langham-supported publisher in Benin, strike at the heart of why Langham cultivates locally led grassroots movements for the Gospel. As pastors and theological leaders are equipped and resourced, they can bring God's transforming truth into the root issues facing their communities.

It is with great joy that, in the following pages, I share with you stories of transformation made possible by God's grace and your steadfast support of Langham. In 2019, your faithful prayers and generosity helped train over 10,000 pastors, equip 78 theological leaders, and distribute over 100,000 books to pastors, Bible colleges, and seminaries.

As you read these stories, I pray that you are blessed and encouraged in knowing your support has a multiplying impact on the global church. Every pastor and leader equipped with deep knowledge of God's Word multiplies your investment in them many times over through the transformations of their communities.

My gratitude for your faithful partnership overflows!

Celebrating transformation in Christ,

Benjamin K. Homan  
President, Langham Partnership USA

HEARTS TRANSFORMED  
IN BENIN, WHERE A LANGHAM-  
SUPPORTED PUBLISHER SAYS  
THAT BOOKS ARE IMPACTING LIVES.

# Multiplying Transformation THROUGH LANGHAM SCHOLARS

Transformation in Christ comes to the most vulnerable on the tough streets of Brazil's Ana Rosa neighborhood—where Marcio (at right) spent his youth in a gang. Today, it's where he shares Jesus with the most vulnerable. His studies at South American Theological Seminary, founded by Langham Scholar Antonio Barro, equipped him to plant a church and launch a ministry that reaches 300+ at-risk kids with hope in Christ. Marcio is just one of 3,000+ students who've graduated from the seminary and now bring transformation into communities around the world.

Together, with your help, we fund scholarships and shepherd emerging theological leaders through PhD programs, preparing them for a lifetime of multiplicative ministry as they go on to train others and shape nations.

## LANGHAM SCHOLARS 2019 IMPACT AT A GLANCE

Supported **73** current PhD students from **41** nations. These emerging leaders receive the theological education and scholar care support needed to equip them for a lifetime of service as leaders.

Celebrated the graduation of **8** PhD students, who are now helping to equip the church in their nations, including Judy Wang'ombe, pictured, who has a vision to reach Kenya's unreached Borana tribe.

**300+** Langham Scholars are now serving around the world, starting vital new ministries, writing critically needed books, multiplying trained pastors and Christian leaders and growing the church in their nations.

## MULTIPLYING TRANSFORMATION

Each Langham Scholar will train roughly **7,733** more leaders—pastors, church planters, ministry leaders—who will then go on to reach **hundreds of thousands** more in Christ.<sup>†</sup>

# Multiplying Transformation THROUGH BIBLICAL LITERATURE

For Thailand's Christians, who represent just 1% of the population, accepting Christ often means rejection from their primarily Buddhist communities. Through you, Langham supported publisher Kanok Bannasan is developing books and e-books that help believers follow Jesus within Thai culture. Publishing manager Tasanee (pictured) shares, "Your support impacts the life of the people... Pastors are eager for books. The books help the church to stand firm in our faith."

Together, with your help, we support indigenous theological writing and publishing so that pastors and leaders have access to books in their own language and context as they serve the unique needs of their communities.

## LANGHAM LITERATURE 2019 IMPACT AT A GLANCE

Supplied **17,697**  
books and biblical  
resources to **773**  
seminary libraries across  
**84** countries, helping  
emerging leaders  
study and understand  
God's Word.

Distributed **35,817**  
books to ministry  
partners, students and  
pastors like Thuya in  
Myanmar (pictured),  
who says, "Books  
help me share God with  
my people."

Supported **22**  
indigenous publishers,  
like Augustin (pictured)  
who leads African Bible  
Press in Benin and  
says, "We are impacting  
many lives through the  
books we publish."

## MULTIPLYING TRANSFORMATION

Just **one book** in a seminary library will be  
**used by 160+ students** preparing to serve the church in their nations.<sup>†</sup>

# Multiplying Transformation THROUGH BIBLICAL PREACHING

Darius (pictured) is part of a Langham Preaching Club in Romania full of teens and young adults who meet regularly to study and practice teaching Scripture. What has caused God's Word to capture and transform these young hearts in a country where the church has struggled to speak to younger generations? You! Your help equipped their pastor, Daniel, who now mentors these formerly uninvolved young believers. Now the group has exploded in size as more than 300 teens and young adults like Darius experience new life in Christ—and share it with others.

Together, with your help, we train indigenous pastors and lay leaders to faithfully study and teach God's Word—shepherding their congregations with hope in Christ.

## LANGHAM PREACHING 2019 IMPACT AT A GLANCE

**338** preaching training seminars held in **70** countries, where local pastors and leaders learn to study and teach God's Word. Langham-trained pastor Lloyd in Kenya says his preaching has transformed, and so has his life. "By living the Word of God, my life has been transformed."

**10,896+** pastors and lay leaders equipped to bring hope in Christ to their communities. Langham-trained Pastor \*Ashan (pictured above) trains other pastors in his church, which ministers in a Buddhist community. He says, "We believe that the Word of God can transform lives."

**1,190+** Preaching Clubs of **7 to 10** local leaders meeting regularly for ongoing training. Njoo, a Langham-trained pastor in South Asia, mentors others in his preaching club. He shares, "When I teach them, they say, 'the Bible is so rich!'"

## MULTIPLYING TRANSFORMATION

**1** Langham-trained pastor multiplies that training to **64 other leaders**, including youth pastors, elders, and other church leaders.<sup>†</sup>

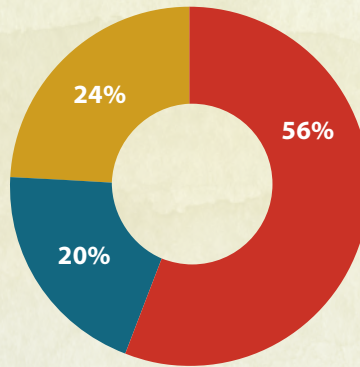

# Fiscal Year 2019 Financials

JULY 1, 2018 – JUNE 30, 2019

Langham Partnership is comprised of six national partners (Australia, Canada, Hong Kong, New Zealand, United Kingdom & Ireland, and the USA), each separately incorporated in its own nation, with its own Board of Directors. Though each partner maintains separate financials, which are audited annually, there is full global transparency among all six partners. A global cloud accounting system implementation enables oversight, analysis and consolidation of the financials of the six members. This page offers the better and fuller consolidated global financial picture. Part of the fuller picture includes Langham USA helping with the fundraising and public communication aspects of the other members. Thus, the numbers shown for Langham USA reflect the costs of helping our national partners, but not the income generated through that help. Not included in these financials are significant additional contributions from grassroots Langham organizations that uphold our vision and mission throughout the world.

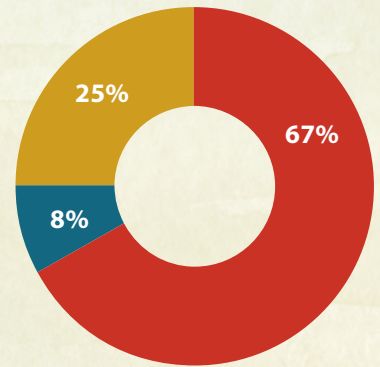

The income and expense reported in this annual report are based on cash accounting whereas accrual accounting methods are used to report income in our audited statement and tax return; hence some differences may exist in comparison.
