*Ben Homan listens as he is welcomed by sisters and brothers from a church started and led by a Langham-trained pastor in a sensitive South Asian country.*

## DEAR FRIEND OF LANGHAM,

In God's family, we share a future. Though the church is spread across time and space, we are one body with one hope. Our Savior prayed for the unity of His people before He went to the cross and made it possible for the prayer to be answered (John 17:20-21).

When God's people, saved by grace and united to God and to one another through their faith in Jesus Christ, seek to share the good news and advance the kingdom of Jesus, it is an answer to Jesus's prayer and a beautiful thing to behold. As Jesus said, a church unified in identity and mission makes the gospel believable to the world. And though that prayer of Jesus is still being fulfilled, there are beautiful, belief-promoting stories to be told. My prayer with this publication is that your hope in the Lord will deepen as you read, reflect on, and pray through the pages that follow.

As you learn more about Langham's impact globally, let me encourage you toward where my own heart is as the Lord leads me in His one hope:

**GRATITUDE.** God is at work, building His kingdom as He promised. The gates of hell are not prevailing and will not prevail. We have a sure and certain hope!

**HUMILITY.** The church is at work, living out faith in and faithfulness to Jesus in places of poverty, pressure, and great potential. Holding to the hope we share, our brothers and sisters are encountering and persevering through things the likes of which we have not (yet) seen. And so they blaze trails for us and have lessons to teach us, if we will watch and listen with humility.

**COURAGE.** It takes hope-inspired courage to turn the other cheek, to love your enemy and pray for those that persecute you, to not grow weary in doing good, and to give sacrificially and trust the King to provide when and where needed.

Thank you for your partnership with Langham, for uniting with us and with brothers and sisters around the world in kingdom service fueled by shared hope. Your faithful support matters, and, by God's grace, delivers one hope!

In Christ,

Benjamin K. Homan  
President, Langham Partnership USA

# LANGHAM PREACHING

*Training pastors to faithfully and clearly preach the hope of Christ*

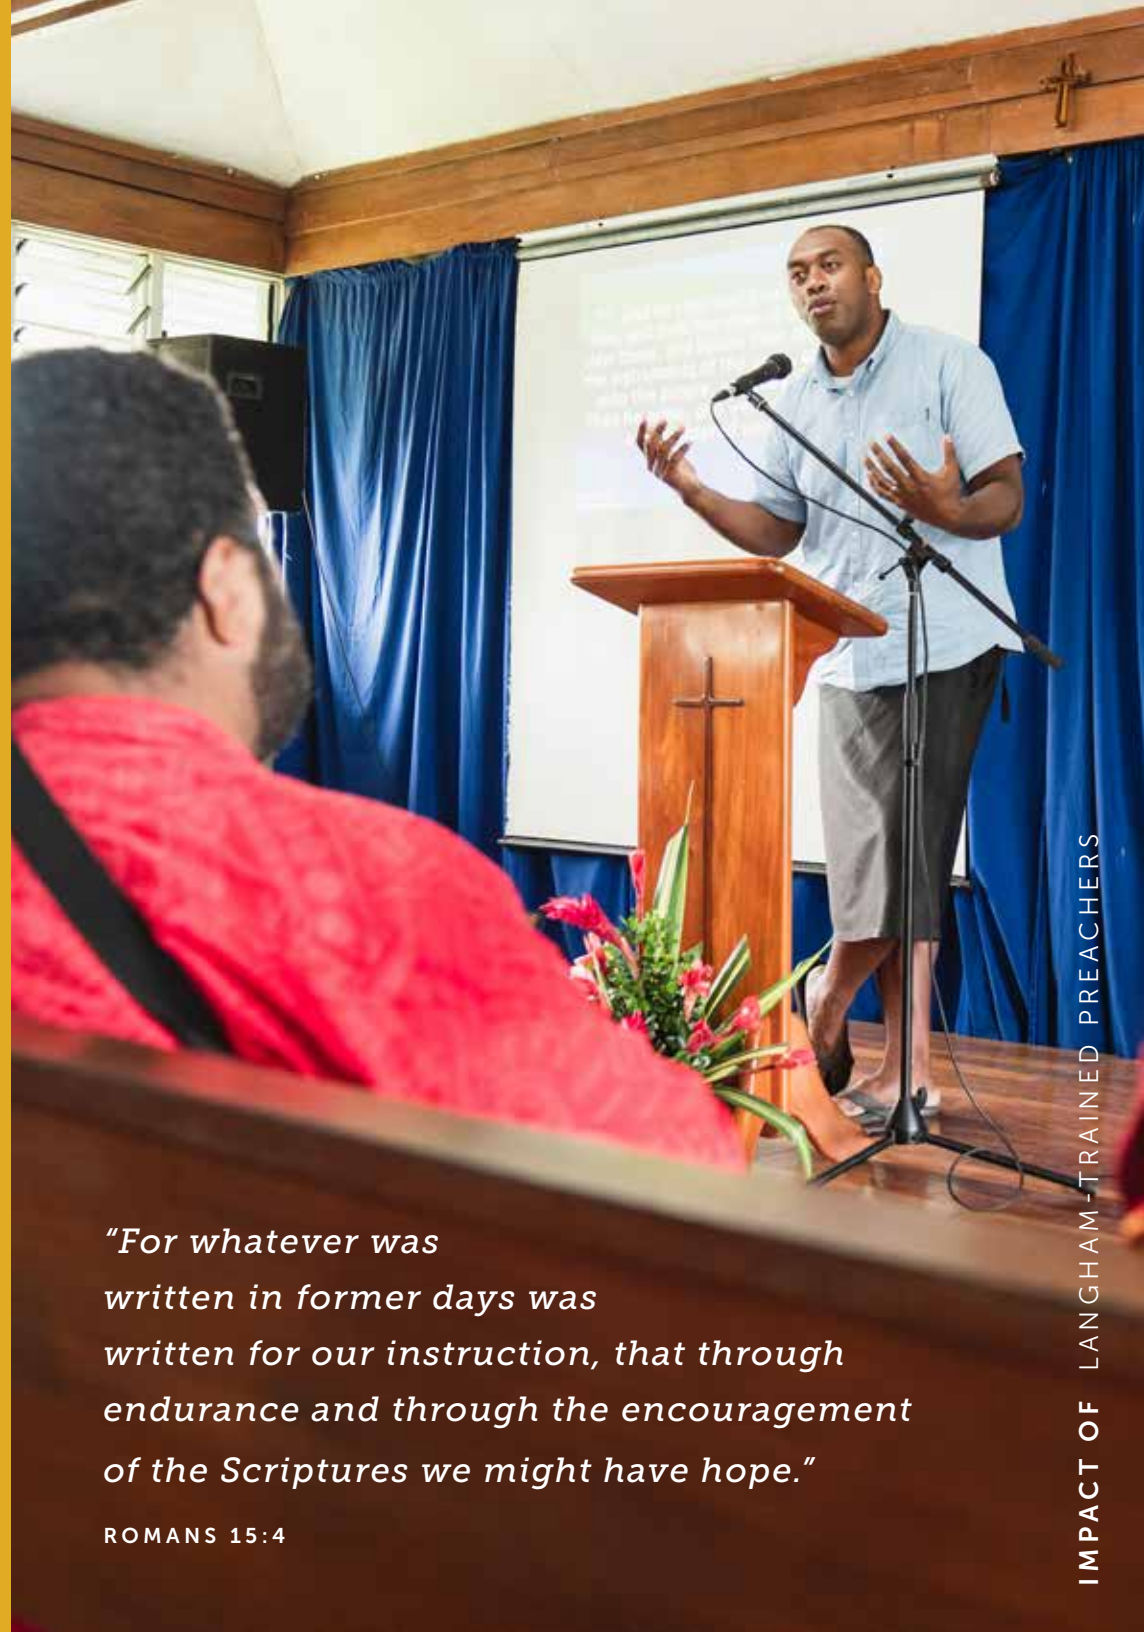

Langham trains indigenous pastors and church leaders how to study God's Word and preach it in a way that can be understood by the people in their communities. As the Bible is preached, people who live in difficult circumstances find hope and encouragement.

## 97%

of pastors reported learning something new about God or the Bible after using Langham's sermon preparation training.

## 2.5x

Pastors trained by Langham more than double time spent in sermon preparation.

*"For whatever was written in former days was written for our instruction, that through endurance and through the encouragement of the Scriptures we might have hope."*

ROMANS 15:4

# LANGHAM PREACHING // Celebrating your hope-filled impact

**669 local trainers** are leading Langham training events in 89 countries around the world.

*Two Langham Preaching trainers from a sensitive Southeast Asian country traveled over 1,000 miles by plane, motorbike, and foot in October 2022 to train 25 pastors in a cold and remote area of the nation. With your support, well-trained pastors in a country currently under intense political and religious pressure are bringing God's Word to a people desperate for hope.*

There are **1,104 groups of pastors** meeting around the world to assist and support each other in their Bible study and preaching skills.

*Pastors and lay leaders met in April 2022 for their monthly Langham Preaching Club gathering in Manzini, Eswatini—a small, landlocked country in Southern Africa. Johannes Mngomezulu (standing center) says he was “hooked” on Langham from his first training. “Here in Eswatini there is more emphasis on the prosperity gospel. Langham brings a very simple model that helps us get back to the biblical truths that should be preached from the pulpit.”*

Your generosity led to **785,040 people** hearing God's Word proclaimed by a well-trained pastor.

*Congregations throughout the islands of Fiji in the South Pacific sit under faithful Bible teaching thanks to your support and the work of Langham Preaching under the leadership of Tukana Nakesu. Mere Tora, a member of Tukana's church, says, “Pastor Tukana always finishes his sermons with how the text applies to our lives today. It makes an impact. God's Word is constant.”*

# LANGHAM LITERATURE

*Spreading hope through locally authored resources to help people understand and apply God's Word.*

Langham supports indigenous theological writing and publishing so that pastors and leaders have access to books in their own language and context. These publishing projects help pastors in their region explore the Bible in greater depth and apply it to issues unique in their context.

**15,878** courses in seminaries and colleges in the Majority World require books provided by Langham.

**700** colleges and seminaries in 79 countries in the Majority World depend on Langham to supply books that help students grow and mature in Christ.

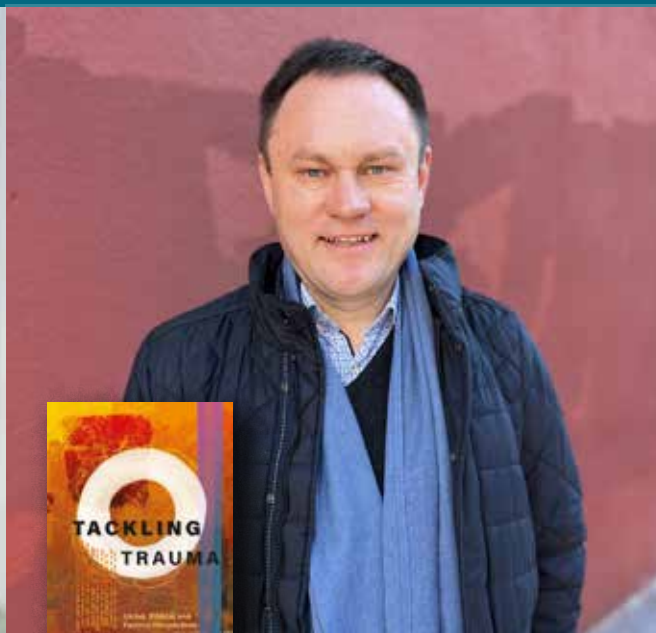

# LANGHAM LITERATURE // Celebrating your hope-filled impact

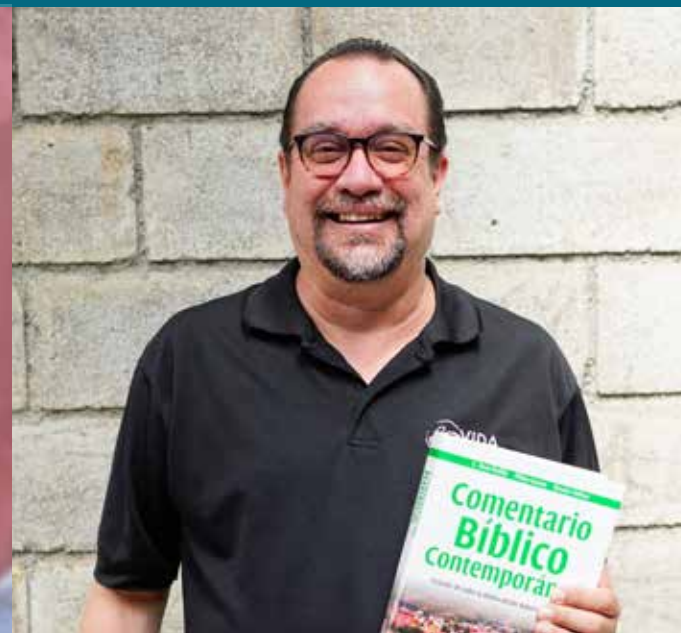

Distributed **236,622 Bible-centred books** to Majority World pastors, students, and ministry partners in need of study materials.

*Your help put needed Bible study books into hands of pastors like Chukkrawut in Thailand. This book, written in his language and for his context, was published by Kanok Bannasan—a Thai Christian publisher that you helped support. Today, the book helps Pastor Chukkrawut shepherd his congregation to follow Jesus in a primarily Buddhist culture.*

Helped **23 indigenous publishers** in 20 different countries produce 36 titles in local languages.

*Thanks to your support, Langham published Tackling Trauma—a book written by Christian professionals from around the world to provide practical responses to people's trauma, making it an ideal resource for pastors, counselors, humanitarian workers, and students. Roman Soloviy—a Regional Commissioning Editor for Langham Literature—has translated and published a Ukrainian edition of the book. Roman says, "With this book we have a great tool for Ukrainian pastors who will be able to provide spiritual help for people who suffer from the war."*

Funded work on **19 commentary projects** led by local authors and editors.

*Your support helps produce groundbreaking regional Bible commentaries like the Comentario Bíblico Contemporáneo—the first single-volume Bible commentary written entirely by Latin Americans for the Latin American church. The commentary is an indispensable tool in the hands of pastors like Mauricio Solís of Vida Abundante del Oeste in San José, Costa Rica. "When I read this commentary, it's like I put on the glasses of Latin America to read about Latin America, to preach to my Latin American context and needs. I don't have any other way to get information like this."*

# LANGHAM SCHOLARS

*Equipping scholars who  
raise up leaders to bring  
hope to an entire nation.*

Your generosity makes it possible to support emerging Christian leaders through PhD programs. These leaders return to their countries across Africa, Asia, Latin America, Eastern Europe, and the Middle East to shape their nations with a Biblical worldview.

**Each scholar will directly train**

**9,478 students**  
**in their lifetime.**

**Within the first decade of earning a PhD,**

**50% of scholars**  
**will start new organizations. Organizations**  
**founded by Langham Scholars serve**  
**167,507 people annually.**

# LANGHAM SCHOLARS // Celebrating your hope-filled impact

Supported **85 PhD students** who will return home to their **44 different countries** after their degree is completed.

*Langham Scholar Marie Joy Pring (right) returned to the Philippines to join a growing cohort of Langham Scholars, like Rico Villanueva (left), who are equipping the Filipino church to respond to urgent contextual issues. Among other roles in the church and academia, Marie is caring for the least of these by researching justice issues related to the indigenous people in the Philippines and the online sexual exploitation of children.*

Celebrated the **48 books and articles** published by Langham Scholars which will help people in their region gain better insights into God's Word.

*Angukali Rotokha studied under Langham Scholar Havilah Dharamraj in a sensitive South Asian country. A Langham Scholar herself, Angukali serves as an Assistant Theological Editor for the upcoming South Asia Study Bible—an invaluable resource that will help pastors interpret and apply the Bible from a South Asian perspective—and is co-editing a textbook for Bible college and seminary students throughout Asia.*

Impacted **109,695 students** who sat under the teaching of a Langham Scholar.

*Langham Scholar Cesar Lopes (L) stands “shoulder to shoulder” with his former student, Diego. Diego now serves on the pastoral staff at several churches in some of the poorest neighborhoods in São Paulo, Brazil, bringing God's Word to some very hard places. Cesar, in addition to his in-person teaching, started an online seminary program that brings theological education to many Brazilians who could otherwise not access it.*

# FISCAL YEAR 2022

Langham Partnership is comprised of six national partners (Australia, Canada, Hong Kong, New Zealand, United Kingdom & Ireland, and the USA), each separately incorporated in its own nation with its own Board of Directors. Though each partner maintains separate financials, which are audited annually, there is full global transparency among all six partners. A global cloud accounting system enables oversight, analysis, and consolidation of the financials of the six members. This page offers the fuller consolidated global financial picture. Part of the fuller picture includes Langham USA helping with the fundraising and public communication aspects of the other members. Thus, the numbers shown for Langham USA reflect the costs of helping our national partners but not the income generated through that help. Not included in these financials are significant additional contributions from grassroots Langham organizations that uphold our vision and mission throughout the world.

*The income and expense reported in this annual report are based on cash accounting whereas accrual accounting methods are used to report income in our audited statement and tax return; hence some differences may exist in comparison.*
